Ok, How Does This Work?

OUR MEMBER ARTISTS transform post-consumer stuff into a variety of decorative and functional items that they sell. They each have an individual Wish-List, which we compile into the one you see here. We sort donations into their bins at our "club house" on Cherokee St.

YOU get a **coupon** for discounts on the eco-friendly, locally made goods created by our artists when you donate things on our Wish-List to a drop-off location near you! (They are listed on the "Donate" page of UpXChange.com)

PLEASE NOTE: Upcycle Exchange and it's participating locations RESERVE THE RIGHT TO REFUSE DONATIONS OF EXCESSIVE QUANTITIES , OBVIOUS FOULNESS, OR UNRELATED CONTENT. Please e-mail us at upxchange@gmail.com if you have a large donation or any questions about donating!

How Do I Become a Member?

We allow new artists to apply for membership during a two week period every 3 months, which we refer to as our seasonal OPEN ENROLLMENT. You fill out an application online where you submit your Wish-List and donor discount, then pay a \$20 fee for the season. You are given a bin in our club house where we sort your unique requests, and may choose anything you like from common supplies that we collect (fabric, paper, etc.)

Our next date Open Enrollment Dates are **February 1st - 14th 2011** Visit **UpXchange.Com** and follow our feed on Facebook, Twitter, or mailing list to be alerted!

VISIT UPXCHANGE.COM, AND FOLLOW US ON FACEBOOK OR TWITTER FOR UPDATES!
